CO-CHAIRMAN OF UEH MENTORING

UEH Mentoring, a program developed specialized for UEH students, was established with the goal of assisting and motivating them in gaining useful insights into various industries, equipping them with practical skills for their personal and professional development. UEH Mentoring was initiated in 2016 by UEH Alumni & Your Study Support with the contribution of dedicated Mentors who hone the Mentee's strength and talent for continuous improvement throughout the program by sharing their professional knowledge, skills, experience and network.
